

SCARLET SPLENDOUR 2021 COLLECTIONS AND EXCITING NEW ADDITIONS

Luxury design brand Scarlet Splendour has delighted with the 2021 release of intriguing new additions to their diverse collections as well as an opulent new collection, Gold Reserve. These pieces are sure to liven all interior spaces while showcasing the brand's incredible craftsmanship and attention to detail. From sofas to embellished cabinets, these products only serve to accentuate Scarlet Splendour's and their designers' distinction for the highest quality.

These unique and vibrant collections have been co-created with internationally renowned designers. The new collection, Gold Reserve, is inspired by iconic designs from the Vanilla Noir Collection by Italian designer Matteo Cibic. These ornamental cabinets are now crafted in elegant colours and exquisite brass inlay. Marcantonio, sculptor and designer, adds to his striking Forest Collection with eclectic and updated colour tones. Richard Hutten builds upon his existing collections through dynamic new pieces

that are influenced by the natural world. The thread that ties them all together is Scarlet Splendour's commitment to handcraftsmanship.

Founded by siblings Ashish Bajoria and Suman Kanodia, Scarlet Splendour boasts products and collections which are both opulent and surreal. Since its conception in 2014, Scarlet Splendour has become a global name known for their eclectic collection of furniture, lighting and accessories. Growing up immersed in a rich multi-cultural environment, and being encouraged by their mother to study art and artisanry, Bajoria and Kanodia naturally sharpened their aesthetic eye through a love for collecting beautiful objects, painting and decorating. Years later, united by a mutual unwavering passion for art and interior design, the siblings' passions have flourished into a globally revered brand.

GOLD RESERVE BY MATTEO CIBIC

Scarlet Splendour Gold Reserve is a notch above the rest. Crafted with luxurious colours and fused with stunning brass inlay. It is a custom created collection of bar cabinets, dressing tables, consoles and more. Exhibiting Italian design excellence and Indian artistry, style and functionality, the ultimate celebration of lifestyle and luxury.

Madame Verdoux Black Gold is a splendid bar cabinet enhanced with rich brass inlay work, lace-inspired motifs and black leather interiors. Monsieur Verdoux Black Gold is a refined bar cabinet handcrafted with brass inlay work and fine leather interiors. Designed to hold a full bar.

ABOUT THE DESIGNER

Matteo Cibic is an Italian designer and creative director, who is known for his objects with hybrid functions and andromorphic and joyful shapes. Working indiscriminately with industrial processes and small artisans, for luxury brands,

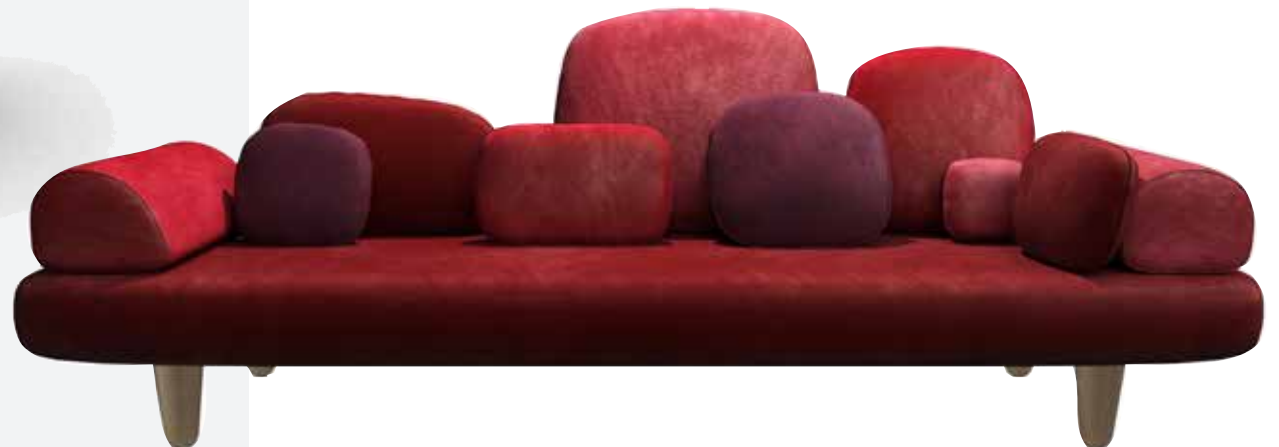

collectors and hi-tech companies, he is an advocate for curiosity, and a fan of paradoxical ideas. In 2017, Cibic was awarded International Young Talent of the Year at the Elle Décor Interior Design Award.

FOREST COLLECTION BY MARCANTONIO

The Forest collection brings together the connection between Man and Nature, through the eyes of Italian sculptor and designer Marcantonio. The wildly eccentric collections introduces more amiable members to its ever-growing assemblage. With the use of quirky shapes and intricacies, elegant colour tones and brass finishes, the collection influenced by nature at its core, brings a sense of luxury and eccentricity in any interior.

This anthology of furniture can be seen as a whole or as an individual piece of art, offering considerable possibilities of arrangement. Puppy Pouffe is a

charming little seat, handcrafted with a premium suede leather covering in green, yellow, ivory, pink and brown. Adored for its playful presence, Puppy Pouffe is loved for its affectionate, fastidious and joyful appearance. The Forest Round Dining Table uses brass inlay to resemble to natural beauty of wood atop a lovely handcrafted base with brass details. Handcrafted with an array of cushions in a variety of red velvets, Forest Sofa Red is a comfortable three-seater designed to hold the attention of all your guests.

ABOUT THE DESIGNER

Marcantonio (Marcantonio Raimondi Malerba) began his career working in the theatre scene, designing scenographies, and collaborating with architecture studios to make commissioned furniture. He soon started to create unique design pieces, alongside artistic productions of sculptures based on naturalistic subjects. These two types of work gradually

merged into the art he creates today. Marcantonio's work is a manifestation of his own creative instincts, and therefore a direct continuation of his childhood creativity and curiosity, where he would bring his imagination to life with play, daydreaming and exploration.

OASIS CABINET AND WOLK TABLE BY RICHARD HUTTEN

The Oasis Collection by Richard Hutten debuted in 2019. For 2021, two new pieces have been updated within the repertoire of this highly visual collection. Introducing Oasis Cabinet in two new original colours; discover its sleek and utilitarian design in a soothing shade of caramel, elevated with a scarlet interior, and in a striking jet black, both made even more stunning with shiny black brass spheres reminiscent of thorns on a succulent cactus.

Also inspired by the wonders of the natural world, the Wolk collection was another outstanding collaboration with Hutten. This year, the collection adds another dazzling component to its range. The Wolk Coffee Table, inspired by beautiful, rare Mammatus clouds, is designed like a slice of a cloud crafted in pure brass. Its surreal appearance creates a levitating impression and is yet unshakable.

ABOUT THE DESIGNER

Rotterdam-based Richard Hutten is one of Holland's most successful and influential designers. He is a founding member of the last big movement in design: Droog Design. Hutten is known for his conceptual and playful designs. A true innovator, he has

established himself as one of the leading international figures in his field, continuously pushing the boundaries of design. Hutten's designs aim to emphasise the importance of play as culture. Hence, his designs are not only beautiful, but also optimistic and fun.
