

**SCARLET SPLENDOUR PRESENTS A WEDDING TO REMEMBER:  
AT CASA WATERS, GOA**

A one-of-a-kind wedding of two perfectly polished, luxurious and dazzling creatures. **Ciuco**, the Italian starboy of Scarlet Splendour has finally met his match. A match tailored to perfection - **Luna** is Matteo's charming damsel dressed in stunning garments.

The billionaire, carrying the label of being the signature classic face of Scarlet Splendour, had been out on the hunt for a worthwhile match. Spending money came easy for him, love was what he was short on and so **Ciuco** set out traveling to find his soulmate. Our dearest donkey found himself walking out of a flight only to be welcomed to **Goa: the land of the sun, sea and serenity!**

*Ciuco* spent days taking on the town, galloping around the by-lanes of this quaint sea state. Diving head first into what's on offer, he did brunches in Morjim and Siolim; made friends at sundowners in Vagator and went for bar crawls in the pretty lanes of Fontainhas. And then, on one such night of frenzy and glamour, *Ciuco* met the bella of his dreams - *Luna*.

In a cinematic move, the crowd paved the way for *Ciuco* to set his eyes on *Luna* and the ass was tongue-tied! Cupid's arrow set sparks ablaze and *Ciuco* fell head-over-tail in love with *Luna*. *Luna*'s heart also gave in to the fine gentleman, unable to resist his quirky and cool charm! The pair spent the next few weeks cruising the town, being followed by paparazzi everywhere. From Dona Paula to Panjim, from Arambol to Candolim and from Moira to Bicholim, the duo fell more in love with every ride they hitched. One night on a stroll along the beach, *Ciuco* proposed to *Luna*! And she of course said “*Si, mi Amour!!*”

Marrying a billionaire comes with its perks and *Ciuco* would never dream of saying no to anything his Bride wishes for. Her wish is his command. Daughter of the land, *Luna* wanted to be married in Goa, her home! “Where the sun shines brightly and your toes feel the sand; where your hair smells of the ocean and the lush greenery has no end; and where the mind finds peace and the hearts are filled with love - this is Goa and it is where I want to get married to you *Ciuco*,” *Luna* said to him.

Nestled away from paps and crowds, they chose Vagator - life of the party in Goa, a seaside town tucked away in an oasis filled with sunsets, lush green foliage and sounds of waves. Luna said this was the place of her dreams and so Ciuco, along with the Scarlet Splendour family made their beloved bride's dream come true! The family brought on board celebrated fashion designer Anamika Khanna to design an exclusive dress for their beloved Luna. Known for her exquisitely creative style of blending Indian craft of dressmaking with global contours, this designer's dress for Luna was created with all things lux and couture.

An evening of celebrations, smiles and bubbles galore, the wedding has an affair to remember for years to come. With an exclusive guest list, Scarlet Splendour's friends and family from Kolkata and Matteo flew in from Italy, the betrothed couple had the most special time at the festivities.
