

SKIN

BY SCARLET SPLENDOUR

B1 OMB

MATERIAL: BRASS

B1 OMB is perfect for creating a dramatic and glamorous vibe for the contemporary interiors space. A rich ombré is carefully crafted on the surface with layers of colour across brass.

Handcrafted ombré by fine artisans invoke gradient effects from dark to gold and striking greens in between, finished in rich matt. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

B2M

MATERIAL: BRASS

B2M is ideal for creating a dramatic, luxurious look in residential or commercial spaces. It is crafted in a matt finish with pops of gold and vintage spread across the brass surface.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic discipline gives this SKIN its unique characteristic. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

B3M

MATERIAL: BRASS

B3M is ideal for creating an understated luxurious look in residential or commercial spaces. It is crafted in a matt finish with hints of gold spread across the brass surface.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic scrub gives this SKIN its unique characteristic. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with B8M SKIN for a subtle contrast or use it on its own.

B4M

MATERIAL: BRASS

B4M creates a dynamic, luxurious look on surfaces in any interior space. It is handcrafted in a pattern of swirls and finished in a premium matt finish that can become a focal point or a complementary backdrop.

A controlled process of creating patterns on the surface in an artisanal way gives this SKIN its exciting, rich look. Its matt finish complements the swirls of design that enriches the space it is used in.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with other skins or use it on its own.

B5M

MATERIAL: BRASS

B5M creates a dynamic, luxurious look on surfaces in any interior space. It is handcrafted in a pattern of swirls and finished in a premium matt finish that can become a focal point or a complementary backdrop in a space.

A controlled process of creating patterns on the surface in an artisanal way gives this SKIN its exciting, rich look. Its matt finish is complementary to the swirls in the pattern and enriches the space it is used in.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with other skins or use it on its own.

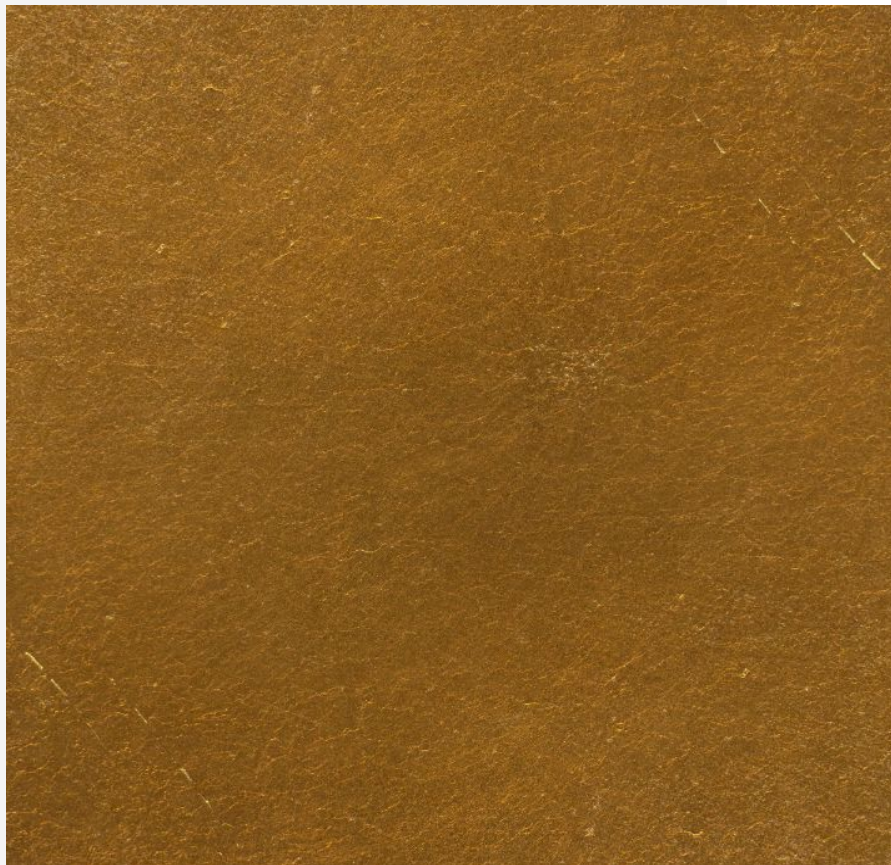

B6M

MATERIAL: BRASS

B6M creates a dynamic, luxurious look on surfaces in any interior space. It is handcrafted in a pattern of swirls and finished in a premium matt finish that can become a focal point or a complementary backdrop.

A controlled process of creating patterns on the surface in an artisanal way gives this SKIN its exciting, rich look. Its matt finish complements the swirls of design that enriches the space it is used in.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with other skins or use it on its own.

B7M

MATERIAL: BRASS

B7M evokes an old-world look and charm, handcrafted in a gorgeous combination of gold foil and brass. Its rich gold hues with a contrasting matt finish is reminiscent of palaces and decadence.

Patterns on the surface are created with artisanal zest and gives this SKIN its charming, rich look. Its matt finish is an unexpected but subtle contrast to the gold foil used with the gold of the metal. This is unique, elegant and luxurious surface to use in your space.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with any other SKIN for contrast or use it on its own.

B8M

MATERIAL: BRASS

B8M is perfect for creating a mysterious and dramatic vibe in contemporary interior spaces. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke a memory of vintage times.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic scrub lends a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with B3M SKIN for a subtle contrast or use it on its own.

B9M

MATERIAL: BRASS

B9M evokes a mysterious and glamorous look, handcrafted in a gorgeous combination of gold foil and brass. Its darkened gold hues with a contrasting matt finish is reminiscent of palaces and decadence.

Patterns on the surface are created with artisanal zest and gives this SKIN its charming, rich look. Its matt finish is an unexpected but subtle contrast to the gold foil used with the gold of the metal. This is unique, elegant and luxurious surface to use in your space.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with any other SKIN for contrast or use it on its own.

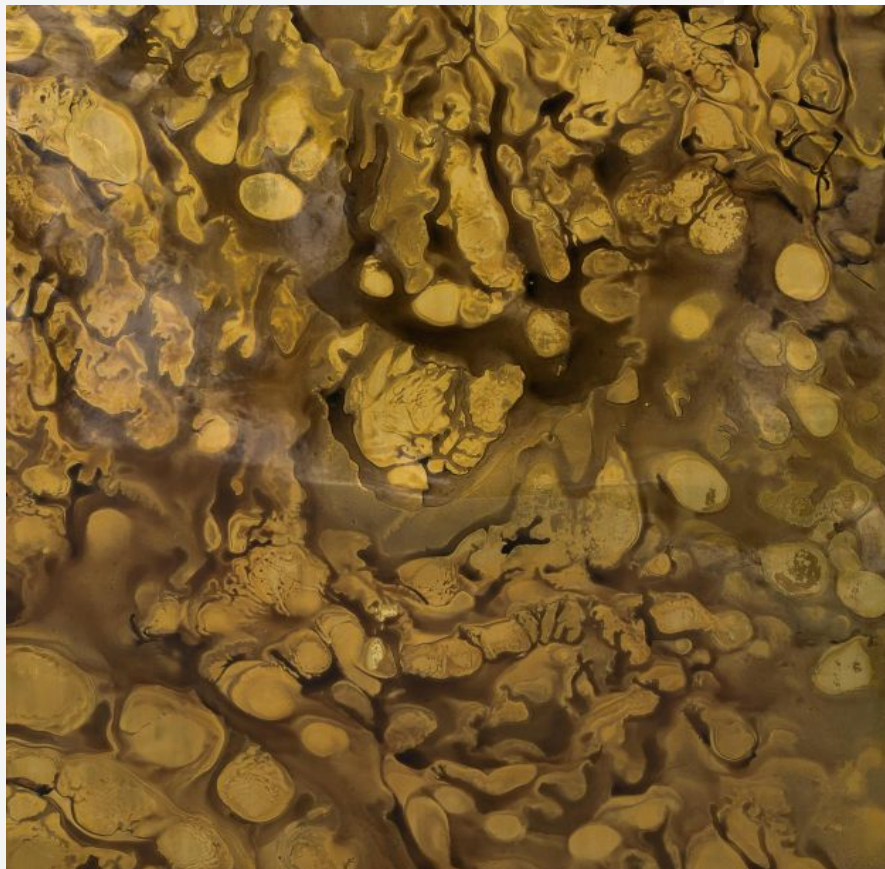

B10M

MATERIAL: BRASS

B10M is perfect for creating a bold and dramatic vibe for the contemporary interior space. Dark, almost blackened abstract patterns are created with subtle contrasts of vintage brass, not for the faint-hearted.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic scrub lends a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with other SKIN for a subtle contrast or use it on its own.

B11G

MATERIAL: BRASS

Pure artistry meets pure brass in B11G. This SKIN can be a perfect accent for various interior design styles like contemporary, classical, industrial, shabby chic and more. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Hand-drawn flowing motifs are bathed in the colours of tarnished brass. High gloss brings the fiery texture to life, as the dark rustic veins merge into the golden hues. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

B12M

MATERIAL: BRASS

Pure artistry meets pure brass in B12M. This SKIN can be a perfect accent for various interior design styles like contemporary, classical, industrial, shabby chic and more. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.]

Hand-drawn flowing motifs are bathed in the colours of tarnished brass. Rich matt brings the fiery texture to life, as the dark rustic veins merge into the golden hues. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

B13 OMB

MATERIAL: BRASS

B13OMB is perfect for creating a dramatic and glamorous vibe for the contemporary interiors space. A rich ombré carefully crafted across the surface with layers of colour across brass.

Handcrafted ombré by fine artisans, no less than artists, conjure up gradient effects from dark to gold and muted reds in between, finished in rich matt. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

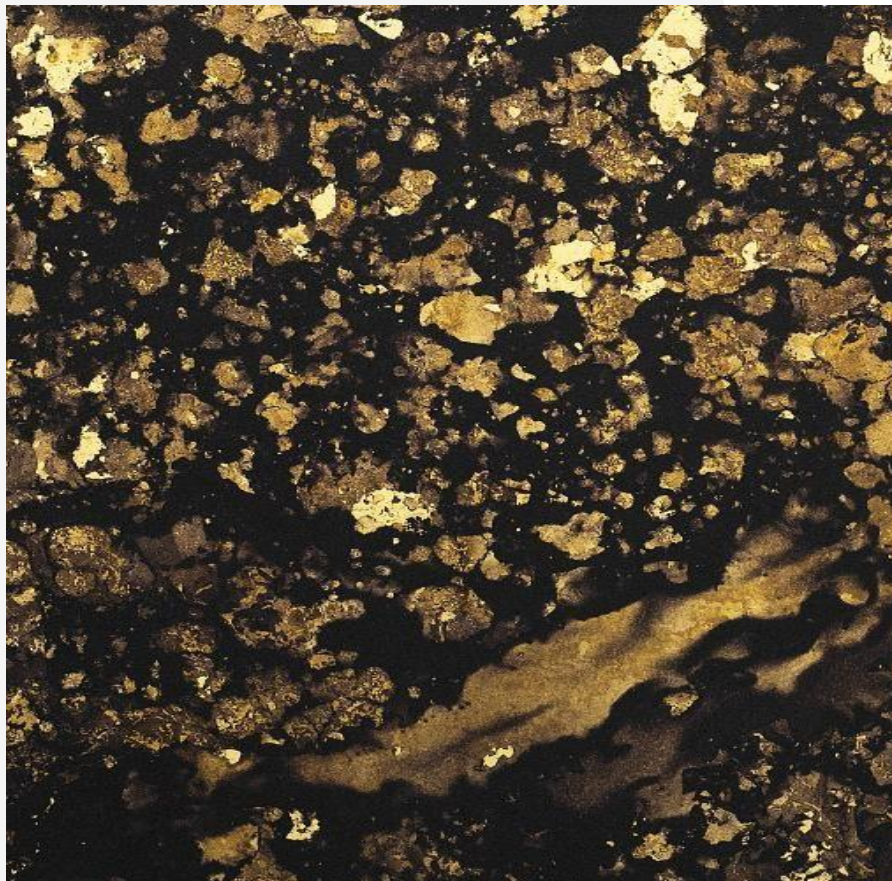

B14M

MATERIAL: BRASS

Fine artistry meets brass in B14M. This SKIN can be a perfect accent for contemporary, glamorous interiors. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Careful artisanal processes are used to create intense patterns on brass. A muted, rich matt coating enhances the deep patterns and textures on the gold of the brass. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

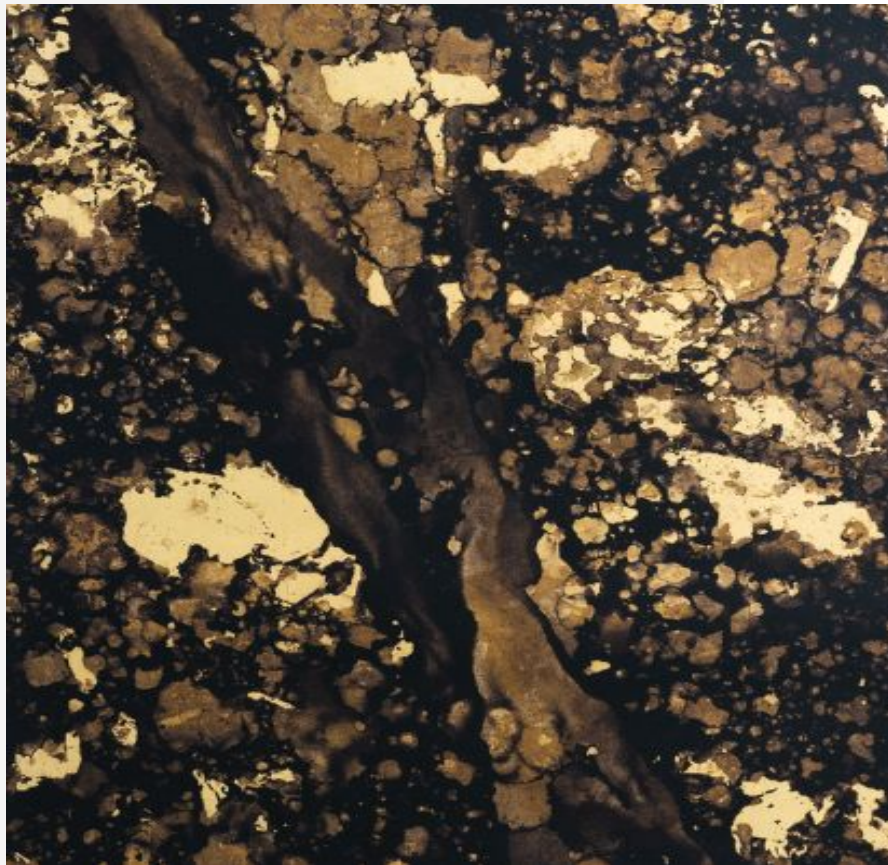

B15M

MATERIAL: BRASS

Fine artistry meets brass in B15M. This SKIN can be a perfect accent for contemporary, glamorous interiors. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Careful artisanal processes are used to create intense patterns on brass. A muted, rich matt coating enhances the deep patterns and textures on the gold of the brass. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

B15G

MATERIAL: BRASS

Fine artistry meets brass in B15G. This SKIN can be a perfect accent for contemporary, glamorous interiors. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Careful artisanal processes are used to create intense patterns on brass. A muted, rich gloss coating enhances the dark patterns and textures on the gold of the brass. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

B16M

MATERIAL: BRASS

B16M is perfect for creating an elegant vibe for contemporary interiors spaces. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke raw vintage effects.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic handwork lends a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for a subtle contrast or use it on its own.

B17M

MATERIAL: BRASS

B17M perfect for creating a bold and dramatic vibe for the contemporary interiors space. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke a raw, industrial effect.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic scrub lend a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with B3M SKIN for a subtle contrast or use it on its own.

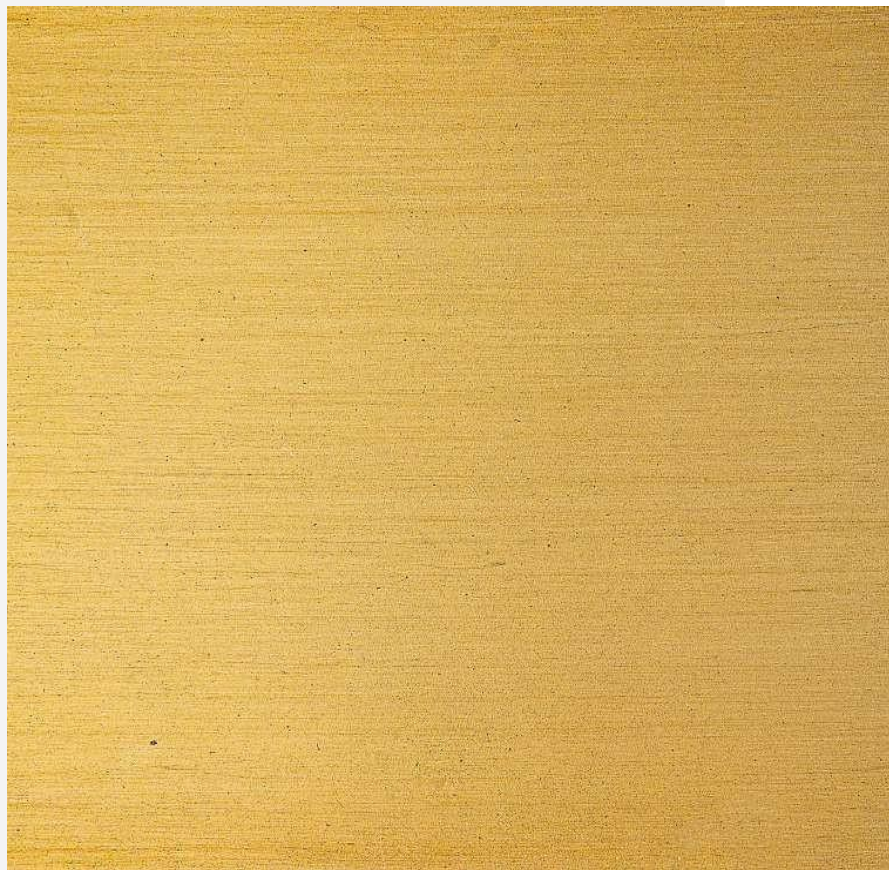

B18M

MATERIAL: BRASS

B18M is perfect for creating an elegant vibe for contemporary interiors spaces. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke raw vintage effects.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic handwork lends a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for a subtle contrast or use it on its own.

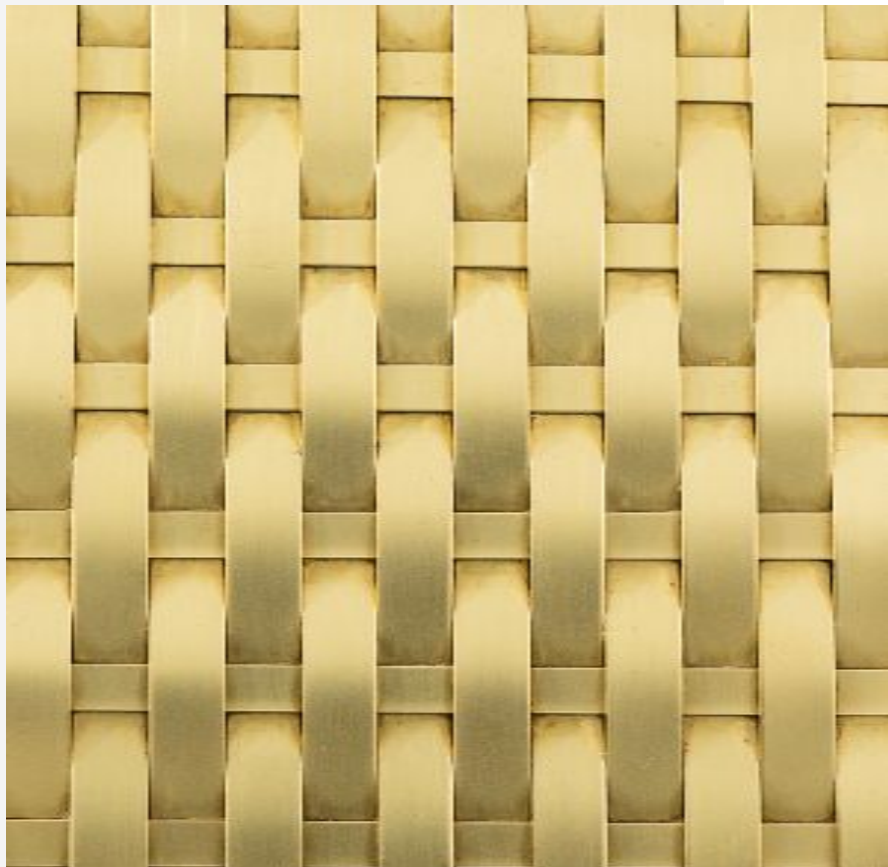

B19M

MATERIAL: BRASS

B19M is ideal for creating an understated luxurious look in both residential and commercial spaces. It is handcrafted in a matt finish with a rich brushed surface.

A rich brushed surface finished in premium matt that enhances the beauty of brass, that's B19M. This seemingly simple SKIN is a subtle, elegant and luxurious surface in your space.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with any of the other SKIN surfaces for a contrast or use it on its own.

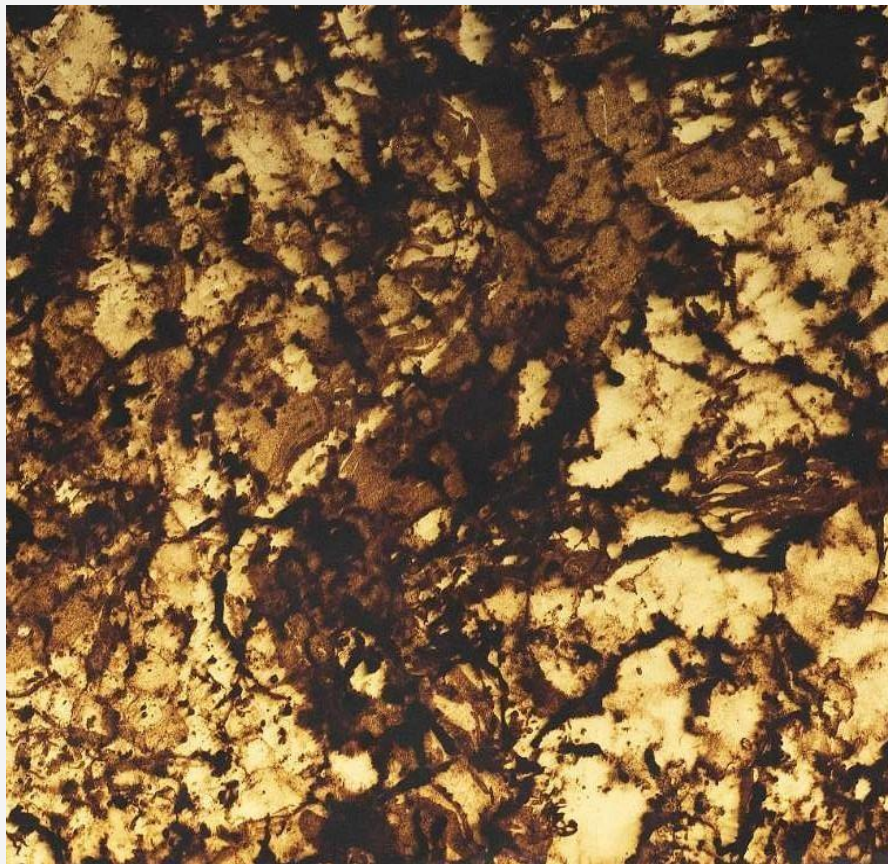

B20M

MATERIAL: BRASS

This extraordinary SKIN in brass creates an intense pattern which is elegant, contemporary and reminiscent of the ubiquitous craft of basket weaving.

Ancient artisanal methods of making mats and baskets are used to "weave" brass strips and allow them to age naturally. It is exciting to see how this panel evolves over time.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it with different patterns, pair it with another SKIN for contrast or use it on its own.

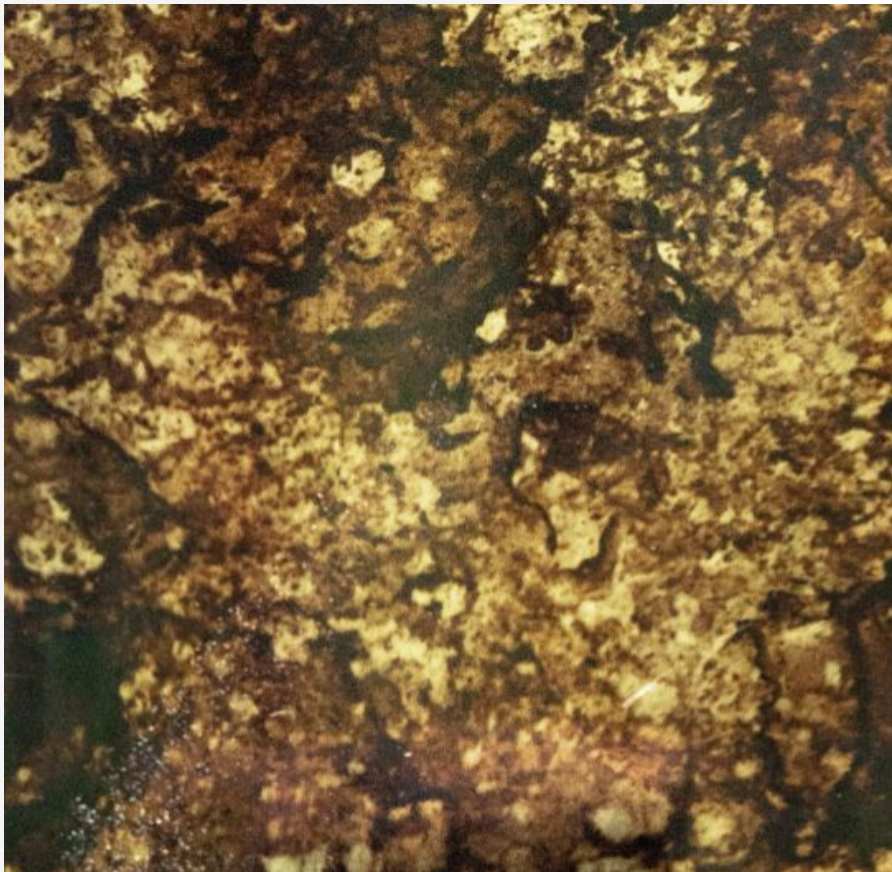

B22M

MATERIAL: BRASS

Artistry meets brass in B22M. This SKIN can be a perfect accent for contemporary, glamorous interiors. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Careful artisanal processes are used to create intense patterns on brass. A muted rich matt coating enhances the deep patterns and textures on the gold of the brass. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

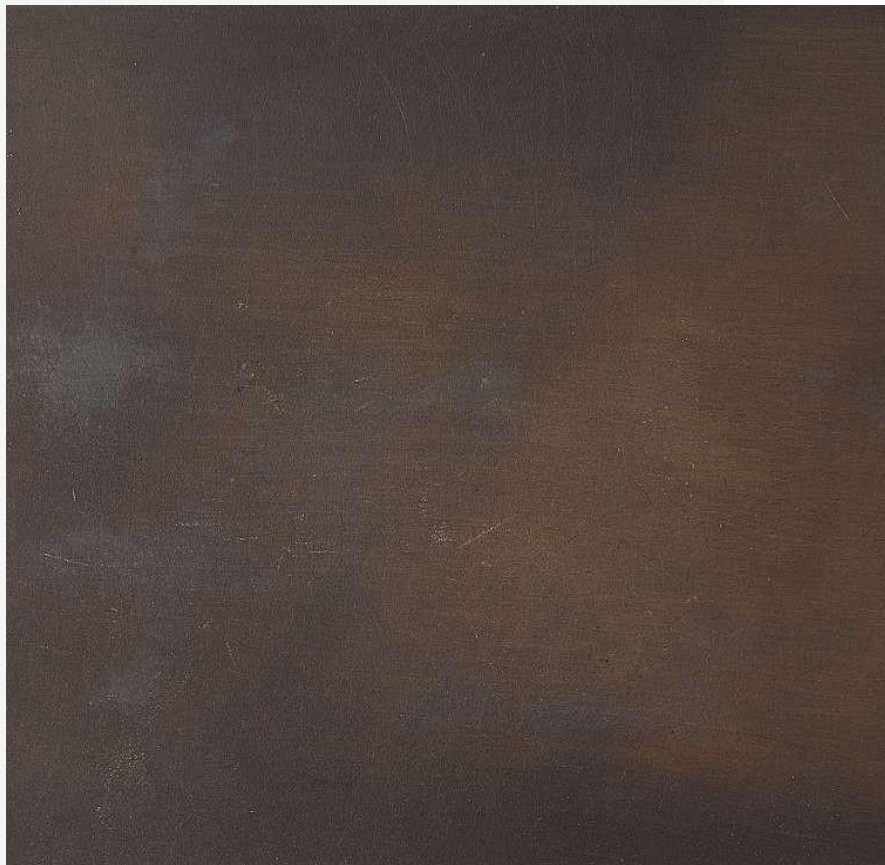

B22G

MATERIAL: BRASS

Fine artistry meets brass in B22G. This SKIN can be a perfect accent for contemporary, glamorous interiors. It creates a dramatic statement in a luxurious foyer, living room or even bedroom.

Careful artisanal processes are used to create intense patterns on brass. A rich gloss coating enhances the deep patterns and textures on the gold of the brass. Every panel is unique in the making and the result of exemplary workmanship.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns with other contrasting SKIN panels or use it on its own.

B23M

MATERIAL: BRASS

For those who are fascinated with the dark, B23M is a wonderful choice. The richness of oxidised brass creates an understated and glorious surface in the space it is used.

The natural oxidation of brass assisted by controlled processes, innovative technology and an artistic overview. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

B24 OMB

MATERIAL: BRASS

B24 OMB is perfect for creating a dramatic and glamorous vibe for the contemporary interiors space. A rich ombré is carefully crafted on the surface with layers of colour across brass.

Handcrafted ombré by fine artisans invoke gradient effects from dark to gold and cool blues in between, finished in rich matt. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

C1M

MATERIAL: COPPER

The richness of oxidised copper creates an understated and glorious C1M SKIN which has the versatility to blend into contemporary, classical, industrial or shabby chic interiors.

The natural oxidation of copper is assisted by controlled processes, innovative technology and an artistic overview. The skilled workmanship of our craftsmen adds a rustic yet elegant hue to every panel.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

C2M

MATERIAL: COPPER

Bold and dramatic, C2M is a stunning copper surface that elevates interior spaces. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke a memory of vintage times.

C2M is intensely worked copper with deep contrasts created on it by controlled oxidation processes. Dark hues on the brownish-pink metal are created with innovative technologies that encourage the natural discolouration and is finished with a premium matt coating.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, doors, powder rooms and much more. We can customise it in different patterns, pair it with other SKIN panels for a subtle contrast or use it on its own.

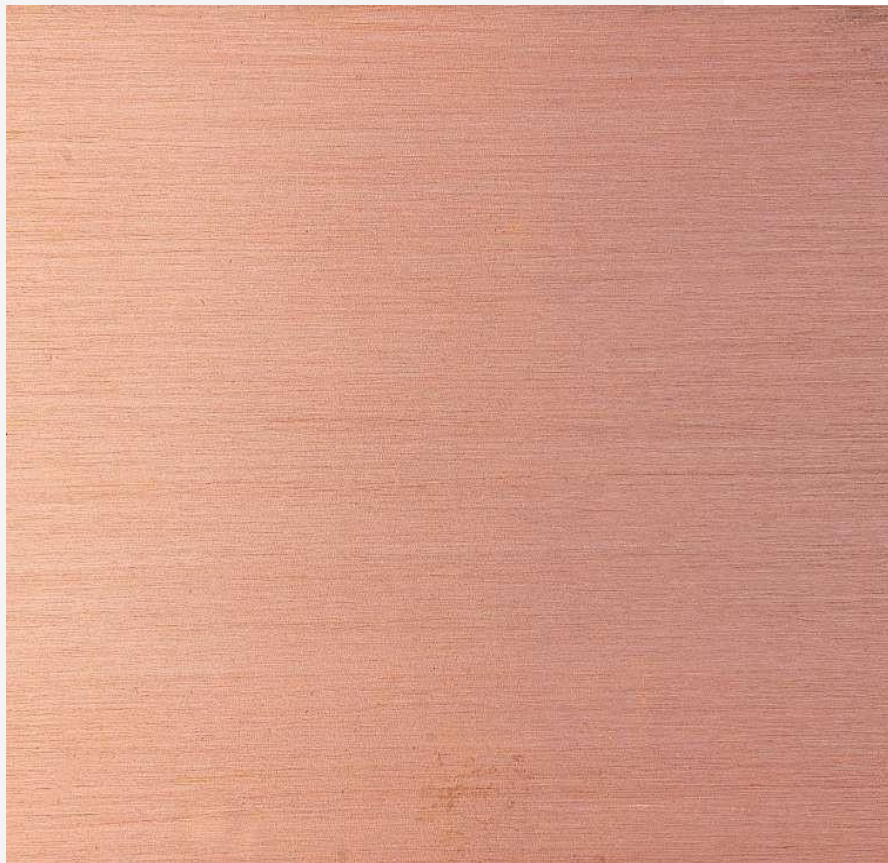

C3M

MATERIAL: COPPER

C3M is perfect for creating a rich, dramatic vibe in contemporary interior spaces. Intentional, uneven hues of dark and light tones are carefully crafted across the surface to evoke a memory of vintage times.

The natural oxidation of copper assisted by controlled processes, innovative technology and an artistic scrub lend a deep aged colour and a rich finish. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for contrast or use it on its own.

C4M

MATERIAL: COPPER

The rich pink hue of natural copper emerges in C4M creating a luxurious modern vibe for contemporary interiors. Its hand-brushed elegance adds quiet drama to your interior space.

A rich brushed surface finished in premium matt enhances the beauty of copper, that's C4M for you. This seemingly simple surface is a subtle, elegant and luxurious surface in your space.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with any of the other SKIN surfaces for contrast or use it on its own.

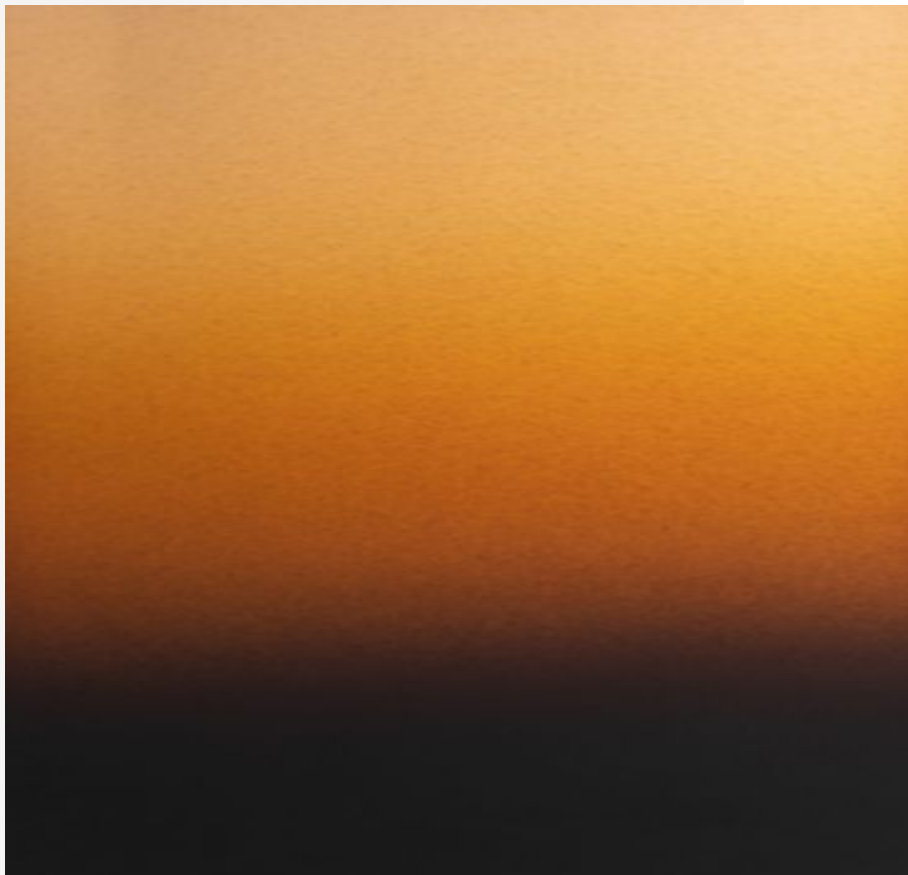

C5M

MATERIAL: COPPER

The richness of oxidised copper creates an understated and glorious C5M SKIN which has the versatility to blend into contemporary, classical, industrial or shabby chic interiors.

The natural oxidation of copper is assisted by controlled processes, innovative technology and an artistic overview. The skilled workmanship of our craftsmen adds a dark, elegant hue to every panel.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for a contrast or use it on its own.

C6 OMB

MATERIAL: COPPER

C6 OMB is perfect for creating a dramatic and glamorous vibe for the contemporary interiors space. A rich ombré is carefully crafted across the surface with layers of colour across the metal.

Handcrafted ombré by fine artisans invoke gradient effects from dark to copper and muted reds in between, finished in rich matt. The skilled workmanship of our craftsmen makes every panel a work of art.

Recommended for designing wall panels, headboards, bar cabinets, wardrobe fronts, powder rooms and much more. We can customise it in different patterns, pair it with another SKIN for a contrast or use it on its own.

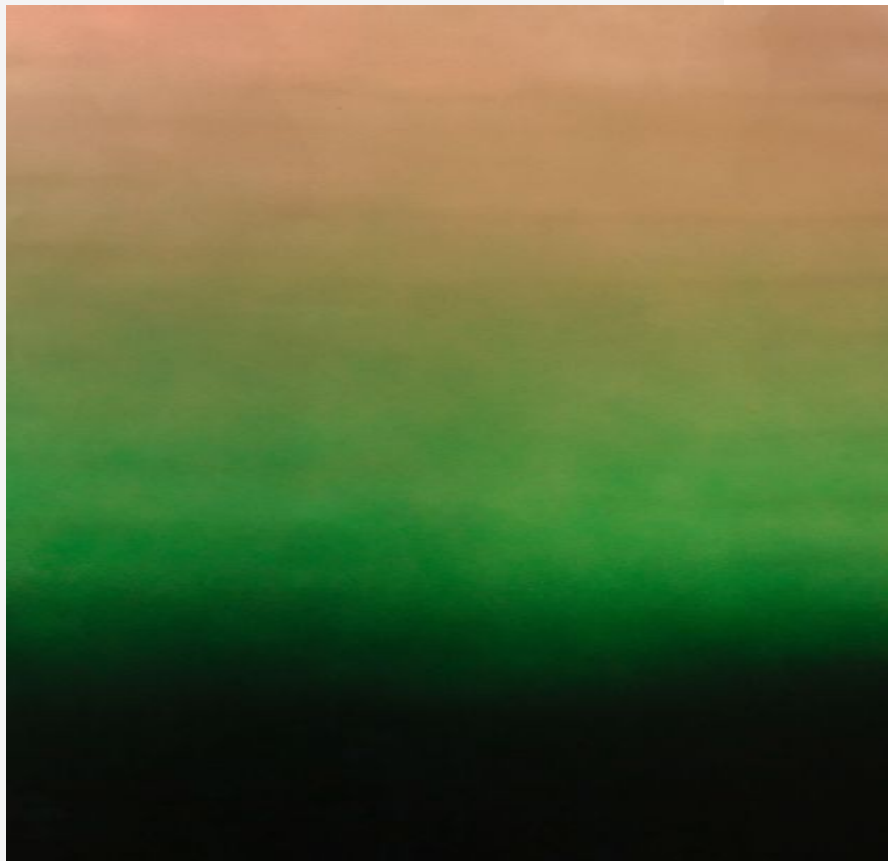

C7 OMB
