# DISCOVER THE MYSTICAL MANDALA

Step inside the world of Scarlet Splendour's Mandala Collection, where soft-hued lotuses meet the theatrical language of design.
Envisioned by Matteo Cibic and handcrafted in India, Lotus Sanctum Regalia is monumental in scale. A cabinet that doesn't just hold treasures, it becomes one.

## DIVINITY OF DETAILS

The cabinet is a blend of resin and brass inlay, striking arches, lotus motifs on the exterior of the cabinet. Gleaming brass interiors that light up the moment its doors open. All of it draws you in to admire the brass pillars, sculptural shelving and high-gloss finishes.
