

SCARLET  
SPLENDOUR

CIRRUS CHAIR STONE

As children we have all been intrigued by clouds. Their ever changing shapes pleased and surprised us as we looked for familiar forms in the sky. Elusive and heavenly hues ranging from blue to grey, sometimes touched by red or yellow, Dario Contessotto with Mirco Colussi captures the aura of these clouds in their sofa collection—*Cirrus* for Scarlet Splendour. Seats for the gods, made in Italy.

*Cirrus Chair Stone* is a delightful single seater sofa in grey and can be matched with the *Cirrus Sofa Stone*.

Each piece in the Cirrus collection exalts the handmade, the painstakingly crafted, the authentic. A piece may have slight variations and tiny imperfections but these are the marks of an artisan, a testament to the individuality of each work of art. It is our belief that these variations infuse our objets d'art with desire and we assert our right to make necessary qualitative changes.
